Slow Down So That You Can Power-Up

In this keynote or seminar you will learn:

- ◇ To be passionately present in your life.
- ◇ Believe in yourself.
- ◇ Enjoy your life's journey.
- ◇ Tap into your inner guidance.
- ◇ Step up and step into the best version of yourself.

Carol will have you laughing while you are learning. She will share how when you change your attitude from fear and worry the circumstances of your life will seem to magically transform themselves. There is tremendous power in focusing on joy, prosperity, and success.

Transform Your Life From Ordinary To Extraordinary

In this keynote discover your priorities and values.

- ◇ Live without guilt.
- ◇ Recognize that your intentions and thoughts create your life.
- ◇ Learn to release and let go
- ◇ Carol's personal favorite learn to say "no."

Carol will mix her irreverent sense of humor with clear, compelling, and heart-centered insights. She will give you simple, yet powerful, steps to take so that you too can create the changes you desire.

You will leave this presentation with proven strategies and the motivation to meet your fears and obstacles from a place of strength and wisdom.

Carol's has a sincere desire to help people to unlock their personal and spiritual potential. Her talks enhance, uplift, and empower her audiences to joyously expand their lives. Carol's personal philosophy is that we are all on this planet to live joyously and shine our individual lights brightly and by doing so we automatically make this world a better place.
